iBanking Fund Transfer Options:

- Fund Transfer is allowed to: **TBL + NPSB Accounts**
- One Time Password (OTP) for Fund Transaction will go through: **Mobile**

Terms & Conditions:**Security:**

- 1.The Customer (USER) will receive the User-ID and login Password through mentioned Email address.
- 2.On accessing Trust Bank iBanking for the first time, the user shall change the password assigned by the Bank through the relevant option.
- 3.Customer can access Trust Bank iBanking from anywhere. However as a matter of precaution, customers may avoid using PCs with public access (cyber café etc.).
4. It is customary for the **account holder to be present physically at branch while submitting any kind of service request for iBanking Fund Transfer/Bill Pay facility.**

Customer's Obligations:

- 1.The customer has an obligation to maintain secrecy in regard to User-ID & Password registered with the Bank. The bank presumes that login, using valid User-ID and Password is a valid session initiated by none other than the customer.
- 2.Transaction executed through a valid session will be interpreted by Trust Bank iBanking to have originated from the registered customer and will be binding on him/her.
- 3.The customer/user shall not attempt or permit others to attempt accessing the account information which does not relate to his/her/their account, or for illegal purposes which if done and proved so, will be liable for action under the appropriate law and withdrawal of the facility enjoyed.
- 4.As iBanking User-ID & Password is dispatched to customer over email and OTP (One Time Password) over mobile phone, maintaining customer's email address and mobile number's security is customer's own responsibility.

Do's & Don'ts:

- 1.The customer should keep his/her User-ID and Password strictly confidential and should not divulge the same to any other person. Any loss sustained by the customer due to non-compliance of this condition will be at his/her own risk and responsibility and the Bank will not be liable for the same in any manner.
- 2.The customer is free to choose a Password of his own for Trust Bank iBanking Services. However it is a good practice to commit the Password to memory rather than writing it down somewhere. Ensure that you are not observed while entering the Password.
- 3.It may not be safe to leave the computer unattended during a valid session. This might give access to your account information to others. Always log off from iBanking interface when you have finished your activities.

Declarations:

I confirm that the information given above is true and complete and agree to comply with the terms & conditions of Trust Bank iBanking. I also agree to be bound by the governing customers' accounts with Trust Bank Limited.

**Please submit this form at your nearest branch
along with a copy of your National ID.**
